Dear Mr. Matey:

We have been doing business with Aztec Contractors, Inc. since November of 2007. During that time we have supplied Aztec Contractors with materials for several jobs and in so doing we have established a mutually beneficial relationship. Aztec has always adhered to our conditions for doing business and terms of payment. It is a pleasure doing business with an account such as Aztec and we hope to continue this relationship for many years to come.

If we can supply any further information or be of service in any way, please do not hesitate to call.

Sincerely,

Building Specialties
