Re: Alamito Place-(58-Unit Multifamily Apts.)

To whom it may concern:

I worked for Trans-Pecos Bank on the above referenced project. My main duty was checking pay requests and monitoring work progress for the bank. I found it a pleasure working with Frank and his construction Team. Pay Applications were timely with appropriate back-up. If there were any questions they were responded to very quickly. I found that on my end of the month site visits, the project was well manned, well supervised, clean and safe. The project was completed on time and in construction budget. Frank and his team did a great job.

Thank You,
